## WORK EXPERIENCE

24/07/2023 – 04/09/2023 Ankara, Türkiye
**INTERN COMPUTER ENGINEER** TUBITAK BILGEM

During the specified period, I completed my mandatory internship at the Software Technologies Research Institute of TUBITAK BILGEM for a total of 30 working days. The internship consisted of 15 days of training and 15 days of project development. During my internship, I received training in Java, Unit Testing, Git Usage Basics, Maven, Docker, SQL, React & JS, Spring Web-Data-Core-Security, and more. I participated in a web development project as part of a 9-member team. The certificate of participation I received at the end of the internship is attached. For more information about organisation, visit the website:
